Care, psychologic, during infancy, 71
Carter, William C., and Porter, L., 853
Casten, Virgil G., 421
Chicken pox, complicated with acute thrombocytopenic purpura and gangrene, 641
Childhood, allergy in, 730, 737
cholecystitis in, 203
Children, adrenal sympathicoblastoma in, 449
amblyopia in, 421
anemia, severe functional, in, resembling pernicious anemia of adults, 176
asthma and hay fever in, 399 (round table discussion)
diet, free, in, with diabetes, 183
eczematous, treatment of, sheet bandage for, 522
empyema, acute uncomplicated, treatment of, tidal drainage in, 38
encephalopathy, toxic, in, following internal administration of potassium chlorate and sulpharsphenamine, 197
encopresis in, 367
Children—Cont'd
enuresis in, 757
foreign bodies in urogenital tract of, 769
internal gland secretion in, disorders of, 103
laryngitis, obstructive, in treatment of, use of intubation and tracheotomy in, 47
mineral utilization, influence of daily serving of spinach or its equivalent in oxalic acid upon, 188
normal Addis sediment count in, 473
peritonitis, appendiceal in, conservative management of, 298
refractive errors in, 422
small, gastric secretion, normal, of infants and, following stimulation with histamine, 1
quantitative collection of urine from, 381
stuttering, developmental history of, 209
sulphanilamide in gonococcal infections in, 610
tonsillectomized and nontonsillectomized, general health of, at maturity, 463
tuberculin reactions in, 479
tuberculous, immunologic reactions for undulant fever in apparently healthy and in, 571
Cholecystitis in childhood, 203
Chorea, fever therapy for, follow-up report of 99 children receiving, 490
Christensen, Thomas A., Joslin, C. L., and Bradley, J. E., 66
Cod-liver oil, comparative value of, and emulsion of percomorph-liver oil in prevention of rickets, 789
Cohen, Robert, 527
Comments, 135, 286
Compleat pediatrician, 428 (book review)
Correspondence, 426
Creevy, C. D., 747
Cretin, rate of growth, osseous development and mental development in, as a guide to thyroid treatment, 429
Crib, hospital, netting restraint for, 524
Critical review, congenital syphilis, 386
disorders of internal gland secretion in children, 103
infection and immunity in erysipelas, 664
nature of American diet, 243
problems in maternal hygiene and their relation to pediatrics, 803

Diarrhea, acute, banana therapy in, 66
Diet, American, nature of, 243 (critical review)
analysis of, method of, 493
free, in children with diabetes, 183
Dodd, Katharine, Johnston, L. M., and Buddingh, G. J., 95
Dodge, Katharine G., and Sutton, L. P., 490
Douglas, Louis H., 323
Drainage, tidal, in treatment of acute uncomplicated empyema in children, 38
Dunham, Ethel C., 853
— and Whipple, D. V., 386

E

Ectopia cordis cum sterni fissura, 58
Eczema, infantile, sensitivity to cow's milk in, 725
Edgar, Katherine J., and Syverton, J. T., 151
Ehlers-Danlos syndrome, 592
Empyema, acute uncomplicated, treatment of, tidal drainage in, 38
Encephalitis, toxic, in child following internal administration of potassium chlorate and sulpharsphenamine, 197
Encopresis in children, 367
Enuresis in children, 757
Eosinophilia, terminal, Hodgkin's disease with, occurring in negro child with sicklemia, 165
Erysipelas, infection and immunity in, mechanism of, 664 (critical review)
Erythema exudativum multiforme with ophthalmia and stomatitis, 151
Estrogenic factors in adolescence, 420
Everhart, Merrill W., and Baxter, E. H., 357
Eye examination, adequate, in children, 423

F

Feet, infant's, normal development of, 420
Fever therapy, artificial, death of child following, 514
follow-up report of 99 children receiving, for chorea, 490
Forbes, Roy P., and Alpert, G. R., 605
Foreign bodies in urogenital tract of children, 769

G

Galdston, Iago, 134
Gamble, James L., 417
Gangrene, varicella complicated by acute thrombocytopenic purpura and, 641
Gargoylism, 579

Huschka, Mabel, and Ogden, O. S., 794
Hygiene, maternal, problems in, and their relation to pediatrics, 803
Hyperleucocytosis and granulocytopenia following sulphanilamide therapy, 605
Hypertension and chronic pyelonephritis, 417
Hypotension, orthostatic, 772

I

Infancy, psychologic care during, 71
Infant, feet of, normal development of, 420
  gastric secretion, normal, following stimulation with histamine, 1
  newborn, care of skin of, prevention of infection, 603
  newly born, appraisal of, 853 (book review)
  epidemic of mouth infections of, 323
Infant, newborn—Cont'd
  hemorrhagic disease of, blood coagulation factors in, and value of intramuscular injections of father's and mother's blood, 16
  observations on vitamin C content of blood in pregnant women and, 415
  sedimentation and other blood factors in, 785
  premature, mortality rate for, influence of factors before and at time of delivery, 648
  sick, management of, and child, 853 (book review)
Infection, focal, and metabolism, 563
  gonococcal, use of sulphanilamide in, 610
  prevention of, care of skin of newborn infant, 603
  upper respiratory, incidence of, effects of tannic acid nasal sprays on, 576
Ingalls, Theodore H., 416
Internal gland, secretion of, disorders of in children, 103 (critical review)
Intubation, use of, and tracheotomy in treatment of obstructive laryngitis in children, 47
Isolation, individual, 313
